## AI Agnew FISHING SHIRTS

With embroidered AI Agnew art on the back and a "signature" logo above the right front chest pocket, our classic technical fishing shirts are made from breathable, quick-drying Supplex® nylon that keeps you cool, even on hot, sticky days. Features include a Teflon® stain-resistant coating; a 30-UV protection rating; two large bellows pockets with drainage eyelets; a cape ventilated back; and a handy utility loop. Long-sleeve models have roll-up sleeve tabs.

Sizes: M, L, XL, 2X, 3X
