

## Guy Harvey JACKETS

### Billfisher Jacket

MH51004 • (NVY) navy • (ROY) royal

Comfortable and lightweight, with a 100% polyester water and stain resistant shell, this jacket was designed for the overnight boater in warmer climates. Features include a front zipper and two front pockets (all with storm flaps and Velcro® closures); a 3-piece hood that folds into the collar; two interior chest pockets; a cape-vented back; elasticized cuffs and hem (with draw cord); an interior upper mesh lining, with lower and sleeve printed lining; and a Guy Harvey sailfish "signature" embroidered on left front chest. Sizes: S, M, L, XL, 2X

*Ideal for Florida's night time swordfish angler  
or a marlin weekend off southern California*

### Captain's Jacket

MH51005 • (NVY) navy • (CHR) charcoal

As the name implies, this jacket, with a 100% 3-ply Supplex® nylon water-resistant shell and warm fleece lining, is ideal on the water. Unique hidden internal zipper in fleece lining allows access to outer shell for easy embroidery of boat/captain's names or logos. Features include a front zipper and two fleece-lined zippered front pockets; zippered pockets on left sleeve and front chest; a standup collar; two interior chest pockets; quilted Guy Harvey "signature" print polyester sleeve lining; elasticized ribbed cuffs and hem; and a Guy Harvey sailfish "signature" logo embroidered on upper left sleeve. Sizes: S, M, L, XL, 2X
