AFTCO Bluewater contributes **10%** of all profits to protect our marine resources

The International Game Fish Association (IGFA) has chosen AFTCO Bluewater® to design, manufacture, and market a special line of IGFA sportswear. The "IGFA Collection" targets the serious fisherman and is distinguished by its own IGFA label and hang tag. The IGFA is respected worldwide as the keeper of freshwater, saltwater and flyfishing world record information, while formulating the tackle guidelines and standards for the sportfishing world. For over 60 years, the IGFA has been instrumental in fishery research, education, conservation and fishery management.

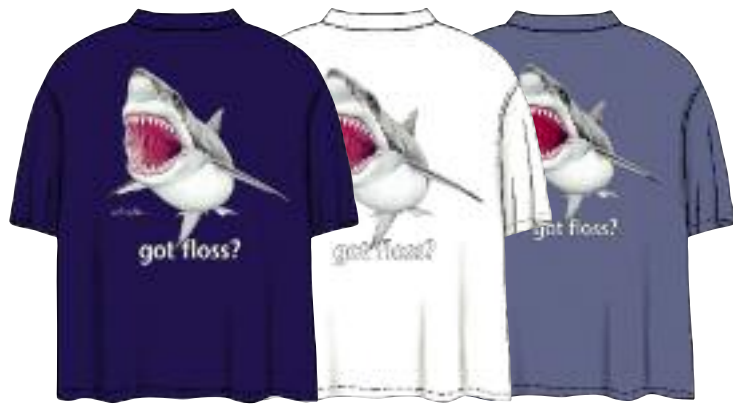

100% cotton IGFA tees are roomy and cut for comfort. Full back design, with IGFA logo on left front, just above the pocket.
